

**SABINE ROYALTY TRUST ANNOUNCES
MONTHLY CASH DISTRIBUTION FOR DECEMBER 2025**

Dallas, Texas, December 5, 2025 – Argent Trust Company, as Trustee of the Sabine Royalty Trust (NYSE: SBR), today declared a cash distribution to the holders of its units of beneficial interest of \$0.196670 per unit, payable on December 29, 2025, to unit holders of record on December 15, 2025. Sabine's cash distribution history, current and prior year financial reports and tax information booklets, a link to filings made with the Securities and Exchange Commission and more can be found on its website at <http://www.sbr-sabine.com/>. Additionally, printed reports can be requested and are mailed free of charge.

This distribution reflects primarily the oil production for September 2025 and the gas production for August 2025, which is considered current production. Preliminary production volumes are approximately 28,904 barrels of oil and 796,698 Mcf of gas. Preliminary prices are approximately \$64.19 per barrel of oil and \$2.61 per Mcf of gas.

This month's distribution is lower than the previous month's primarily due to a decrease in oil and natural gas production. These decreases were partially offset by higher oil and natural gas prices, along with a decrease in Ad Valorem taxes.

The table below compares this month's production and prices to the previous month's:

	Net to Trust Sales Volumes (a)		Average Price (a)	
	Oil (bbls)	Gas (Mcf)	Oil (per bbl)	Gas (per Mcf)
Current Month	28,904	796,698	\$64.19	\$2.61
Prior Month	65,727	1,135,345	\$63.80	\$2.55

(a) Sales volumes are recorded in the month the Trust receives and identifies the related royalty income. Because of this, sales volumes and pricing may fluctuate from month to month based on the timing of cash receipts.

Revenues are only distributed after they are received, verified, and posted. Most energy companies normally issue payment of royalties on or about the 25th of every month, and depending on mail delivery, a varying amount of royalties are not received until after the revenue posting on the last business day of the month. The revenues received after that date will be posted within 30 days of receipt.

Due to the timing of the end of the month of November, approximately \$696,000 of revenue received will be posted in the following month of December in addition to normal cash receipts received during December. Since the close of business in November and prior to this press release, approximately \$1,012,000 in revenue has been received.

Approximately \$457,000 for 2025 Ad Valorem taxes were deducted from this month's distribution as compared to \$1,624,000 this time last year. In 2024, the Trustee was advised that some of the tax renditions were delayed somewhat, which impacted the months of November 2024 and December 2024. Ad Valorem tax payments are normal expenditures at this time of year.

The 2024 Annual Report with Form 10-K and the December 31, 2024, Reserve Summary are available on the Sabine website at <http://www.sbr-sabine.com/>.
